

## Model Men: Sam Saladino for Mercer Square

### Paper City

January, 2008

Pg. 15

The very loose inspiration, says Sam.

The props: A Sam-style mishmash of finds (new and old) from West Elm, Lula B's Antique Mall, Horchow Finale, On Consignment and Century Modern. "One of my favorite pieces," says Saladino, "is the Op-Art mirror pieces in the bedroom... from the little flea market trove in Tool — don't you love it — Texas, that we visit when staying with our dear friends the Ingersolls at Cedar Creek Lake."

The goods: 950 to 2804 square feet, with 10-foot ceilings, acres of dark wood floors, open kitchens, granite countertops galore and, in the spacious master baths, double shower heads and a bench in the shower.

The going rate: From the 200,00's

Why we'd take it: Twinkling Uptown views and the open-air hallways between all the residences (meet your hot neighbor in a cool breeze).
